

Music Video Recording Manual

Thank you very much for participating in the “Song of Peace” project. We would like you to sing the finale part of the song with us. The lyrics are just “Lu Lu Lu,” so we hope it will be easy to sing. Don’t worry about staying on pitch. Just sing with heart.

INSTRUCTIONS

<Singing>

< Video recording tutorial >

- Please reference the music on YouTube, and sing along with the video “

- Follow along with the on-screen guide.
- Play the music on a separate smartphone or computer, and sing along in time with the music.
- You can listen through headphones while you sing.

<Recording>

- Record the videos horizontally with your smartphone or camera.
- Hold the camera steady while recording.
- Position the camera so that the upper half of your body fits within the frame.
- If your video includes several people together, please make sure that each person’s face is visible.

<Movement and Expression>

- Sway back and forth along with the girl in the guide video.
- The song is prayer for peace, so please smile.
- Please wave and smile at the end.

<Clothing and Location>

- You can wear any clothing you like.
- You are free to choose the recording location, but we would be happy to see some scenery characteristic of your country. (In your home is OK too.)

Thank you for your participation! We look forward to sharing the finished video.
